

JUNIOR NEWSLETTER

Welcome back to hockey

We will be building on last season's successes by segmenting training into two sessions 9-10 and 10-11. The aim of the two sessions is to create more space to acquire game related experience and coaching. This may include goalkeeper training, team positioning, short corner and penalty flick practice.

This season Triton Ladies have moved to the Cheshire Women's League Division 7 and Karen Hayton (Captain) will be inviting talented players (Girls only!) age 13 and over to progress into this team.

Alsager Carnival 2009 was a great success and the club raised £230 with the Beat the Keeper and raffle draw. Thanks to everyone who helped to set the stand up and especially to James Clarke for his terrific performance in goal again!

The future's bright... The future's TRITON ORANGE!

U12's celebrated success in an invitational youth festival held at Bellevue in April 2009. The festival is organised by the North Hockey Youth Panel for England Hockey accredited ClubsFirst clubs to help young umpires taking part in the North Hockey Young Umpires Challenge.

Resplendent in their new Triton orange and black team strips both teams lit up the field with their hockey skills. The results reflected all the hard work put in by the children in training over the season with girl's team taking 2nd place and the boy's team taking 1st place. Fantastic result!! Well done to all who played and once again thanks to parents for transportation and support!

Reminder to Parents/Guardians

- Coaches are only responsible for children for the duration of the training sessions. It is **YOUR** responsibility to deliver and collect your child promptly to and from the pitches.
- For your safety, parents and supporters are required to stand at the side of the pitch and are asked not to come on to the pitches during matches.
