

Triton Times

Yes we're back!

The start of the new season is nearly upon us and your committee has been working hard over the summer to get the new season off to a flying start. Before we start playing hockey there are a number of summer social that we would love to get involved in.

Summer Socials

Sunday 21st August

We have got the exclusive use of the Cricket Club for the afternoon. We are going to play a 20:20 Cricket match followed by a BBQ and a game of rounders for those not playing cricket. We need to know numbers asap so PLEASE can you email me and confirm if you will be attending. Everyone is welcome for what we hope will be a fun afternoon.

Monday 29th August

The Cricket Club are hosting a 6 -a- side tournament on the 29th August. Triton will be entering a team. Please speak to Tom Chaddock if

you would like to play.

Everyone is welcome to come down and support the club.

Senior Training

Training starts back on the 7th September at 7.30 pm at the MMU Astro turf. All seniors are encouraged to attend. The committee has worked hard to make sure training is free of charge again this year so make the most of it !

Men's Selection

We are really lucky that a number of the junior boys are moving up this year to the senior squads. This is going to introduce some healthy competition for places !! To give everyone a fair chance we are holding a selection game on Sunday 4th September at 11.00am at ALC. Anyone playing men's 2nd and 3rd team hockey last season and junior players moving up to the senior squad are strongly advised to attend in order to secure their place for the opening games of the season. Please confirm availability to Nathan Good.

Membership Fees

It costs a lot more than you might think to run the club for a year. We spent over £5,000 on pitches alone last season! It's really important that annual subscriptions are paid as soon as we start the new season. New members will be entitled to a free shirt and shorts as part of their subscription. Your captains will confirm the cost of annual subs. If you are having genuine difficulty making the payment please approach one of the committee in confidence rather than spending all season dodging your captain!

Facebook

One of the quickest and easiest ways for us to keep in touch is via the Triton Hockey Club page on facebook. If you are a facebook user sign up and join the fun. If you are a user why not post a comment or two. It can be a lonely task posting messages when nobody responds !

Feedback

The committee are continually trying to improve the club. If you want to get involved in the running of the club just shout there are lots of jobs to do ! If you have a good suggestion to improve what we are doing then

Triton Times

then let us know. We are always happy to listen to good ideas.

Xmas bash

But it's still summer I hear you cry ! I know but we are on the ball and we want to make sure you have no excuse for missing the xmas bash. This is booked for the 17th Dec at The Cricket Club so save the date. More details to follow nearer the time.

New members

Triton is first and foremost a friendly club. Please make a special effort to welcome on board new players to the club or juniors coming up from Chris's squad. It can be a daunting prospect for some and a friendly word can make all the difference.

A Big Thank You

At the AGM a number of the club officials stood down or changed roles. We would like to say a big thank you to Mark Bebbington, First Team Captain and Phil Kynaston, Second Team Captain for all their hard work with the mens' teams last season. A big thank you also to Kate Riley who

stood down as Ladies Vice Captain to concentrate on being Treasurer and Kit Co-ordinator.

Chairman's Chatter

The 2010/11 season was a great improvement on the previous year. The Ladies were promoted for the second year in succession and now find themselves in Division 5. The Mens First team finally came together at the end of the season, and retained their position in Division Five. The Mens Seconds finished an excellent season under the leadership of Captain Kenny, and find themselves in Division 6. The Mens Third team lead from the front under the leadership of Nathan "Ferguson" Good and were promoted to Division 9 as a result. More importantly the club grew in stature, in no small part due to the move to the Cricket Club. The committee organised some excellent social events and we are looking to build on this next season with even more fun times ahead. Triton is on a roll and long may it continue...

Know your wines?

Our secretary and wine connoisseur, Mitch has organised a wine tasting night courtesy of Delissimo on Friday 23rd September at 7:30pm at the Cricket Club. Tickets are £10 per head and there will be lots of different wines to taste. So lets get as many people involved as possible! We need to know numbers asap and if you would like to take part please email Gareth Mitchell.
